With reference to the above subject, it is observed in the meeting held on 28.11.2017 that progress under Protection of Waqf Properties and Repairs & Renovation is very slow in most of the districts. Hence it is hereby directed to intimate those institutions which are sanctioned Grant in Aid to claim 1st installment by providing required documents to the concerned district waqf officers within 15.12.2017 without fail, failing which, the amount sanctioned to the defaulting waqf institutions will be diverted to other needy waqf institutions.

Many meetings are held and direction given during meeting held from 20.9.2017 to 26.9.2017 and 23.10.2017 and 24.10.2017 and DWOs are directed to obtain and furnish the proposals from the waqf institutions and also to call the meeting of the concerned waqf institutions. However, progress under these programmes has not improved till now, Hence, it is once again reiterated to take suitable action to speed up the progress.

It's observed in the recent AG audit at KSBA Head office that most of the waqf institutions who have already availed grants under Protection of Waqf Properties and Repairs & Renovation, are not submitted UC's, Hence, it is hereby directed all the waqf officers to collect the UC's from concerned institutions within 31st December 2017, failing which strict action will be taken against the concerned waqf institution and also action will be initiated against the concerned waqf officers, who have not taken any action for collecting UC's.

To,
